

MESSAGE FROM THE MAYOR

I would like to welcome everyone attending the Society for Research on Adolescence's 2026 Biennial Meeting.

This meeting, themed "Each of Us, All of Us: Adolescent Thriving in an Interconnected World," captures the experiences of adolescents and their connection to communities. It brings together local and international researchers, clinicians, educators, policymakers and graduate students to share research, exchange perspectives and discuss issues related to adolescence.

I am pleased this meeting, which will help foster the professional development and growth of attendees, is taking place in our city.

On behalf of Toronto City Council, please accept my best wishes for a productive and enjoyable meeting.

Yours truly,

Olivia Chow
Mayor of Toronto
